

OVER 30 EMPLOYERS INTERVIEW NEW EMPLOYEE CANDIDATES

At the March 6 Career Fair at Centennial College in Toronto, the entire Auto Body lab and another room were filled with shops owners and managers looking to hire talented auto body and collision damage repair future employees. In the largest turn-out for this industry ever at the College, over 65 students, resumes in hand, were interviewed by employers. The demand for talented new employees was significant. These students were all registered for the "Autobody Techniques" course at the College with an equivalent learning to Level 1 or Level 2 apprenticeship. Companies involved in the event included:

Highland Collision, Master Collision Depot, Superior Auto Centre, Multimatic, Automotive Coatings, Royal Auto Collision, CK Collision Group, Maaco, Royal Synergies Collision, 427 Auto Collision, Fix Auto, Excellence Auto Collision, CSN, CARSTAR and CIIA
